

Clean White Oak
Paneling, Polyurethane and Fire-Retardant

When it comes to sustainable forests, the Forest Stewardship Council® (FSC®) sets the standard. We have long been FSC® chain of custody certified.

Visit our website to see our full product line including reclaimed and other sustainably harvested wood products at pionermillworks.com.

Casual White Oak
Flooring

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here is our promise:

- On time, your time, every time.
- We mill for precision, grade for quality, and kiln-dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.

Serving great clients across North America from NY & OR.

Modern Farmhouse Collection

Modern Farmhouse Collection

Sophisticated, warm, rugged, chic and proudly made in the U.S.A. our Modern Farmhouse collection offers a natural flare to floors & walls. A twist on the classic elegance of American hardwoods, our products bring natural materials into a space and are made with the most environmentally sound finishes available. Celebrated in neutral tones, these sustainably harvested species match function with comfortable farmhouse style.

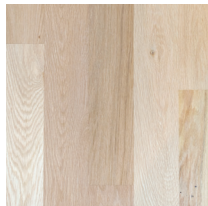

SPECIES & GRADES:

Solid: 3/4" thick, 3-7" wide, 18" to 12' random length

Engineered: 5/8" thick, 4-7" wide, 18" to 12' random length
